WHO SHOULD USE THIS GUIDE

This guide is intended for subcontractor users that have been listed as a certified Minority or Women Business Enterprise (MWBE) subcontractor on a contract with the State of Indiana.

This guide assumes the vendor has some knowledge of the self-service portal of the operating system (PeopleSoft Financials) and the Subcontractor Pay Audit System. For more information or question contact the [MWBE Division](#) at mwbecompliance@idoa.in.gov.

INTRODUCING THE PAY AUDIT SYSTEM SOFTWARE

The Indiana Department of Administration (IDOA) is happy to introduce a new and exciting resource that will allow us to better serve state government and our vendor community, the Pay Audit System.

What Is The System?

The Pay Audit System is Indiana's MWBE subcontractor payment auditing and compliance system. For State contracts with certified MWBE subcontractors, the Prime Vendor and Subcontractors will use the Pay Audit system to independently report payments from the Prime Vendor to the Subcontractors.

What Are the Anticipated Benefits?

The Pay Audit System will bring great value to all the parties impacted by Indiana's supplier diversity program:

- Efficient reporting of payments received by certified MWBE vendors
- Data for our State executives to monitor progress towards annual goals by agency and take corrective action where needed during the year
- Improved access for the MWBE Division to the more complete and accurate data needed to address the various inquiries received from our stakeholders

How Do You Access the System?

Subcontractors enter the system using the State of Indiana's Self-Service portal <https://financial.gmis.in.gov/psp/fsprd> accessed by your Bidder ID. Each subcontractor is required to have a Bidder ID in order to receive M/WBE certification. Once in the Subcontractor Compliance System, subcontractors will navigate to the Subcontractor Payments page and enter payment information received from Prime Vendors on each State of Indiana contract. Subcontractors are sent monthly email notifications reminding them to enter information on payments since the last submission.

(Note: A certified MWBE Subcontractor may also be a Prime Vendor for one or more State of Indiana contracts. For those contracts, that entity will also record their payments from the State as a Prime Vendor, as well as any payments to their own certified MWBE subcontractors on those State contracts on the Prime Vendor Payments page. Instructions for entering payments as a Prime Vendor can be found in the Prime Vendor Users Guide)

How Do You Register as a Bidder?

If your company is not currently registered as a bidder please go to the [Bidder Registration](http://www.in.gov/idoa/2464.htm) homepage located at <http://www.in.gov/idoa/2464.htm> for instructions on how to register your business. Problems or questions concerning the registration process can be e-mailed or phoned to the contact listed at the bottom of the Registration Page.

What if you forget your User ID or Password?

Vendors who have forgotten either User ID or Password can obtain this information by going to the State of Indiana's Self-Service portal at <https://financial.gmis.in.gov/psp/fsprd> and click on the link titled "Report an Issue". Fill out all necessary information on the ticket and in the "Describe your problem" box indicate you need either your User ID or Password information to Log-in to PeopleSoft.
